i agree, there is way to much of a push towards these drugs and how much you need to use for some of the most useless things

8220;seeing so many doctors on here making excuses as to why there is no time to treat patients as human beings who are scared and confused really makes me sad

but i made a vow to turn away from this thing and by reading your article, wine will only lead to back to the volka

a gracefully handsome man of slight stature, mengele would disarm people with his gentle demeanor, while at other times, he would explode into violent rages.
